

Sprint IP Relay for Customers who are Deaf using DWD Resource Computers

Customers who are Deaf may use DWD Resource computers to place phone calls using the Sprint IP Relay website <https://www.sprintip.com/> .

Sprint IP Relay is a free service for the Deaf to place “phone calls” using the Sprint website and its Relay operators. There is no charge for customers or the State to access this online Relay service. <http://www.relaymissouri.com/relaymo-services/sprint-ip-relay/> .

Please ensure the TTY remains available in case a customer doesn’t have an IP Relay account through Sprint. Contact Kristin Funk at 573-751-1098 or kristin.funk@ded.mo.gov if you have any questions.
